Messrs. PALMER & TURPIN.—I received through Mr. Rus. P. Johnson, of Griffin, one of your Monitor Plows, which I regard as a de-cided improvement over any Plow I have eve seen or used, and I regard it as most admira-bly adapted to the Cultivation of the soil of the South, and most cordially recommend them to the Southern Planter, as the best and cheapest plow yet offered them.

JAMES T. ELLIS. What Mr. Rabb, of Winnsboro', S. C. says:

Messrs. Palmer & Turpin:
I have already spoken in favorable terms of your Monitor Plow, but I must be permitted again to express my high appreciation of its merits. I tried it a few days since on a very tough, clammy lot, which I was apprehen sive I could not plow, and to my surprise i did what no other Plow could have done, go ing into it and tearing it up far beyond my expectations.
